### IBCLCs from 2008 exam

What a wonderful result for the 2008 exam! with over 920 candidates and recertifying IBCLCs sitting the exam in the Asia Pacific region this year. This is the largest number of people sitting the exam that this region has had. Lets hope the numbers keep growing!

In 2008 IBLCE had just over 3300 candidates worldwide who sat the exam. The exam results were posted on the 24th October, with the average score was 77.9%. The Asia Pacific Region did very well welcoming 840 new IBCLCs or recertifying IBCLC.

CONGRATULATIONS to the people who passed the exam!

WELCOME to all the NEW IBCLCs!
